Collin Columbus

Bachelor of Science graduate at Augsburg University in Computer Science. Experience with Java, Python, HTML/CSS/Javascript, C++, and the SCRUM development process.

EXPERIENCE

Freelance Web Developer and Designer

SEPTEMBER 2024 – PRESENT

- Designed and launched a fully responsive website for Rough House Rox, implementing modern UI/UX principles, boosting web traffic by 1,800% and achieving a PageSpeed score of 98.
- Currently developing a recipe/cooking web application using React.js and Kaboom.js, creating scalable, maintainable, and highly interactive code.

Wayne Transports Inc., Rosemount, MN – Junior IT and MDM Administrator

JULY 2022 – PRESENT

- Deployed MDM solutions (SureMDM, Samsara, Hexnode), streamlining device security, policy enforcement, and troubleshooting.
- Led the rollout of 420+ mobile devices, ensuring seamless operations with minimal downtime.
- Led multiple projects in which PowerShell scripts were created to add features to NinjaRMM.
- Automated workflows to enhance provisioning and security protocols across UEM/MDM systems.

Elsie's Bar, Grill and Bowling Alley, Minneapolis, MN – Lane Technician

JUNE 2017 – MAY 2023

- Troubleshot lane equipment and computer systems to maintain operational efficiency and improve customer satisfaction in a high-speed environment.
